Course Introduction	<p>This course is designed for ELC-majored freshmen to achieve the reading and writing ability with critical thinking and communicative skills. Throughout the course, it is hoped that students can learn to live as a community of authors-immersed in writing and sharing our writing, reading and discussing our reading, listening openly and responding to each other's ideas and points of view. This personal experience with language reading and writing, and reflecting on that experience, will form the core of the foundation for the reading and writing.</p>
