II. The Relevance among Teaching Objectives, Objective Levels and Departmental core competences : (i) Determine the objective level(s) in any one of the three learning domains (cognitive,

- psychomotor, and affective) corresponding to the teaching objective. Each objective should correspond to the objective level(s) of ONLY ONE of the three domains.
- (ii) If more than one objective levels are applicable for each learning domain, select the highest one only. (For example, if the objective levels for Cognitive Domain include C3,C5, and C6, select C6 only and fill it in the boxes below. The same rule applies to Psychomotor Domain and Affective Domain.)
- (iii) Determine the Departmental core competences that correspond to each teaching objective. Each objective may correspond to one or more Departmental core competences at a time.(For example, if one objective corresponds to three Departmental core competences: A,AD, and BEF, list all of the three in the box.)

Re	quirement	 This is the English course for the students from Department of Business Administration "only". Students who want to take this course need to prove English proficiency in advance. Students will be required to talk, discuss, and present every week. In addition, the assignment will be necessary every week as the homework. The preferred size of this course would be 30-50 students. Therefore, the decision for taking this course or not will be determined by teacher. Students who are willing to take this course, please email to me (wlchang@gms.tku.edu.tw) before "Aug 11" with simple statements to describe (a) why you want to take this course, (b) what's your expectation for this course, and (c) what's the level of your English proficiency. Students will be separated into groups to select cases. Each group will take charge of one case every week. Other groups need to ask questions after presentation every week. The course is problem-solving oriented and students will be trained to think all the time. There will be (a) an individual take-home written test for midterm and (b) a group 					
		presentation for final (the case will be determined by student).
