Tamkang University Academic Year 105, 2nd Semester Course Syllabus

Course Title	CHINESE ECONOMY AND SOCIETY	Instructor	RUDAKOWSKA, ANNA
Course Class	TQGXB2A Course Class DEPARTMENT OF GLOBAL POLITICS AND ECONOMICS (ENGLISH-TAUGHT PROGRAM), 2A		SelectiveOne Semester2 Credits

Departmental Aim of Education

To be equipped with a basic knowledge of economics and political science, to develop confidence in communicating professionally and academically in English in matters related to the global political economy; to acquire the capability to conduct further research individually and collectively with others; and ultimately to prepare oneself to become professionals and leaders with a global perspective for the international arena.

Departmental core competences

- A. Provide essential analytical abilities in the area of politics and economics
- B. Provide knowledge and skills to understand the current global issues
- C. Develop a high level of proficiency in verbal and written English required in the course of study and for communication purposes
- D. Develop ability to pursue research independently as well as in teams
- E. Provide basic knowledge on Taiwan's political and economic development

Course Introduction

The goal of this course is to familiarise students with the social consequences of the transition to a market economy in China. It consists of two blocks. The first one introduces students to the economic transformation with special attention to the consequences for the selected spheres of life of Chinese people. The second block takes under scrutiny particular social issues and analyses which structures have been changing and which are more resilient.

The Relevance among Teaching Objectives, Objective Levels and Departmental core competences

P6-Origination

I.Objective Levels (select applicable ones):

(i) Cognitive Domain : C1-Remembering, C2-Understanding, C3-Applying, C4-Analyzing, C5-Evaluating, C6-Creating

(ii) Psychomotor Domain: P1-Imitation, P2-Mechanism, P3-Independent Operation,

P4-Linked Operation, P5-Automation,

(iii) Affective Domain : Al-Receiving, A2-Responding, A3-Valuing, A4-Organizing, A5-Charaterizing, A6-Implementing

II.The Relevance among Teaching Objectives, Objective Levels and Departmental core competences:

- (i) Determine the objective level(s) in any one of the three learning domains (cognitive, psychomotor, and affective) corresponding to the teaching objective. Each objective should correspond to the objective level(s) of ONLY ONE of the three domains.
- (ii) If more than one objective levels are applicable for each learning domain, select the highest one only. (For example, if the objective levels for Cognitive Domain include C3,C5,and C6, select C6 only and fill it in the boxes below. The same rule applies to Psychomotor Domain and Affective Domain.)
- (iii) Determine the Departmental core competences that correspond to each teaching objective. Each objective may correspond to one or more Departmental core competences at a time. (For example, if one objective corresponds to three Departmental core competences: A,AD, and BEF, list all of the three in the box.)

		Relevance	
No.	Teaching Objectives		Departmental core competences
1	To develop a basic understanding of the process of economic and political reforms in China	C2	А
2	To explore and evaluate their social consequences	C4	В
