Course Introduction	<p>This course is designed for English-majored freshmen to achieve the integrated writing ability with critical thinking and communicative skills. One of the goals is for students to learn, throughout the course, by living as a community of authors-immersed in writing and sharing their own works, reading and discussing assigned readings, as well as listening openly and responding to each other's ideas and points of view. This learning experience focusing on English language writing and also reading while reflecting on personal experience will form the foundation for future advance writing skills.</p>
