Course Introduction	<p>This course is a survey class focusing on the internal development and external relations of East Asia since 1800. Topics include interaction with the West, internal rebellions and reforms, the importance of certain key figures, the changing roles of women, protests, and current social issues. By the end of the course, students should have a firm understanding of changes in East Asia over the past two centuries and be able to assess these historical factors that shaped the current societies.</p>
