Course Introduction	<p>This course is a seminar. Through the Lecturer and invited speakers, this course offers the discussion on the differences between foreign policy options, decisions, behaviors, and outcomes together with the differences between individual, state, and system levels of decision making analysis. Therefore, help students to identify with the problems inherent in foreign policy making and to place themselves in the shoes of decision makers.</p>
------------------------	---

The correspondences between the course's instructional objectives and the cognitive, affective, and psychomotor objectives.

Differentiate the various objective methods among the cognitive, affective and psychomotor domains of the course's instructional objectives.
