Course Introduction	Students will practice speaking and listening strategies. These strategies include, but are not limited to, how to deliver an interesting introduction and conclusion, how to structure the body speech, how to use gestures to make your presentation more interesting, and how to speak confidently in public. Contemporary issues, local or global, will be discussed in small groups in this conversation class.
------------------------	--

**The correspondences between the course's instructional objectives and the cognitive, affective, and psychomotor objectives.**

Differentiate the various objective methods among the cognitive, affective and psychomotor domains of the course's instructional objectives.
