Course Introduction	The law exerts it' s a great amount of influence on our lives and yet we hardly notice its presence. This course aims to expose students to the ways in which laws and legal systems shape and forms our lives. What are laws? Where do they come from and why do we need to obey(or disobey) them? This course offers a basic preliminary approach to an understanding of the law and its basic philosophies.		

The correspondences between the course's instructional objectives and the cognitive, affective, and psychomotor objectives.

Differentiate the various objective methods among the cognitive, affective and psychomotor domains of the course's instructional objectives.
