Course Introduction	Special interest tourism is defined as travelling with the primary motivation of practicing or enjoying a special interest. This can include unusual hobbies, activities, themes or destinations, which tend to attract niche markets. Students in this course will learn as tourism managers how to respond to the trends by engaging with tourists and better designing products for an exciting and dynamic future.		

The correspondences between the course's instructional objectives and the cognitive, affective, and psychomotor objectives.

Differentiate the various objective methods among the cognitive, affective and psychomotor domains of the course's instructional objectives.
