Subject Schoolwide essential virtues			
5. Independent thinking. (ratio:100.00)			

Course Introduction	This course is to provide a conceptual framework within which the key financial decisions of the multinational corporations (MNCs) can be analyzed. Using the case, we think the approach is to treat international financial management as a natural and logical extension of the principles learned in the foundations course in financial management. It focuses on decision making in an international context.
---------------------	---

The correspondences between the course's instructional objectives and the cognitive, affective, and psychomotor objectives.
