Course Introduction	<p>This course will lead students to understand the fundamental developments of modern world history by introducing and explaining crucial events during the past two centuries. The course will begin from the Enlightenment and the French Revolution, where the basic values of the modern world, including rationalism and liberalism, were proposed. During the first semester, various topics will be discussed, including capitalism, socialism, and conservatism. The second semester will focus on nationalism, imperialism and World War I.</p>
---------------------	---

The correspondences between the course's instructional objectives and the cognitive, affective, and psychomotor objectives.

Differentiate the various objective methods among the cognitive, affective and psychomotor domains of the course's instructional objectives.
