A cheerful attitude and healthy lifestyle. (ratio:5.00) 7. A spirit of teamwork and dedication. (ratio:5.00) 8. A sense of aesthetic appreciation. (ratio:5.00)			

Course Introduction	<p>It is now the fourth decade since China began to modernize its economy in the late 19th century. China has achieved substantial economic development success and has become the world's largest manufacturing industry and the second-largest economy. The course intends to first introduce China's current economic development from a historical perspective and further analyze China's vision as a global trade leader. The course aims to discuss some latest affairs relating to China's economic policies that will significantly impact the innovative and sustainable growth in the Chinese economy.</p>
----------------------------	---
