Course Introduction	The goal of this course is to help students get a better understanding on the subject of human security and its impact on human development. This course is composed of two parts. The first part prepares the students with some theoretical frameworks to study the subject of human security and development. The second part of this course is focused on the non-military security. Some important topics such as religion and international conflicts, water shortage and pollution, human trafficking etc., will be covered in this course.			
<p align="center">The correspondences between the course's instructional objectives and the cognitive, affective, and psychomotor objectives.</p> <p>Differentiate the various objective methods among the cognitive, affective and psychomotor domains of the course's instructional objectives.</p> <p>I.
