(ratio:5.00) 			

Course Introduction	<p>This course will introduce students to the formal study of politics. We will explore political issues at all levels - individual, group, national, and international. You will become familiar with the basic vocabulary of the discipline, learn about the different ways that political issues are studied and develop critical reading, thinking, and writing skills. The course is designed for prospective majors as well as for those simply seeking a better understanding of the political world.</p>
----------------------------	--

The correspondences between the course's instructional objectives and the cognitive, affective, and psychomotor objectives.

Differentiate the various objective methods among the cognitive, affective and psychomotor domains of the course's instructional objectives.
