(ratio:5.00) 			

Course Introduction	<p>The course title tells itself. Global Economic Issues is a course to discuss the economic issues seen universally. Students should participate in a global dialogue through the interactions with the guest speakers and discuss further afterwards. Therefore, as their assignments, students are required to submit their feedback to Prof. Lin for grading.</p>
----------------------------	---

The correspondences between the course's instructional objectives and the cognitive, affective, and psychomotor objectives.

Differentiate the various objective methods among the cognitive, affective and psychomotor domains of the course's instructional objectives.
