Course Introduction	<p>The European Union is the world's most innovative international organization with a considerable impact on international relations. It is a sui generis organization with a distinct development path that shall be analyzed empirically and theoretically in this course. Next to EU's politics and policies, also relations with the external environment of EU receive attention. The multiple crises the EU has faced and Brexit as well as its role will be discussed as well.</p>
------------------------	--
