<b>Course Introduction</b>	<p>The Human Rights and Social Justice is an elective course designed to help you develop your critical thinking with a number of basic theories on human rights and justice. Yet, most importantly, we will try to figure out how you can make these ideas work for you. We will start the semester by learning more about the "state and human rights." Then, I want you to tailor the theoretical knowledge we cover to meet your own needs. Upon completing this course, you will have improved your ability to analyze, organize, and critically thin about the social issues.</p>
----------------------------	---

**The correspondences between the course's instructional objectives and the cognitive, affective, and psychomotor objectives.**
