| | Course troduction | Japan, South Korea, Taiwan, the three countries in Northeast Asia constitute Asia' s most advanced market democracies. As such, they provide excellent case studies for understanding the relationship between economic growth, social change, and political power. In this course we will examine the political and economical developments of this region in an attempt to understand its place in the world. This course will provide three dialogues with experts from foreign think tanks. We will focus on classroom discussions and sharing. | | | | |
