| Course Introduction | To understand the diplomatic history of the ROC one must begin from the Opium War The aggressions of the imperialism have until now shaped the mentality of the Chinese. The clash of China and the Western powers symbolizes the different “diplomatic” ideas that were formed by different philosophies. The diplomacy of the ROC, after it lost the Mainland China, has been always influenced by the “cross-strait issues” , namely the diplomatic struggle between the PRC and the ROC. Therefore, the diplomacy of the PRC also must be introduced, insofar as it was related to Taiwan. | | | |
| The correspondences between the course's instructional objectives and the cognitive, affective, and psychomotor objectives.
